TARP REFOLDING AT VJA

Once you exit the performance gym you will follow the signs to a larger nearby hallway.

Once you are in that hallway you will fold your tarp good enough to get onto your tarp cart.

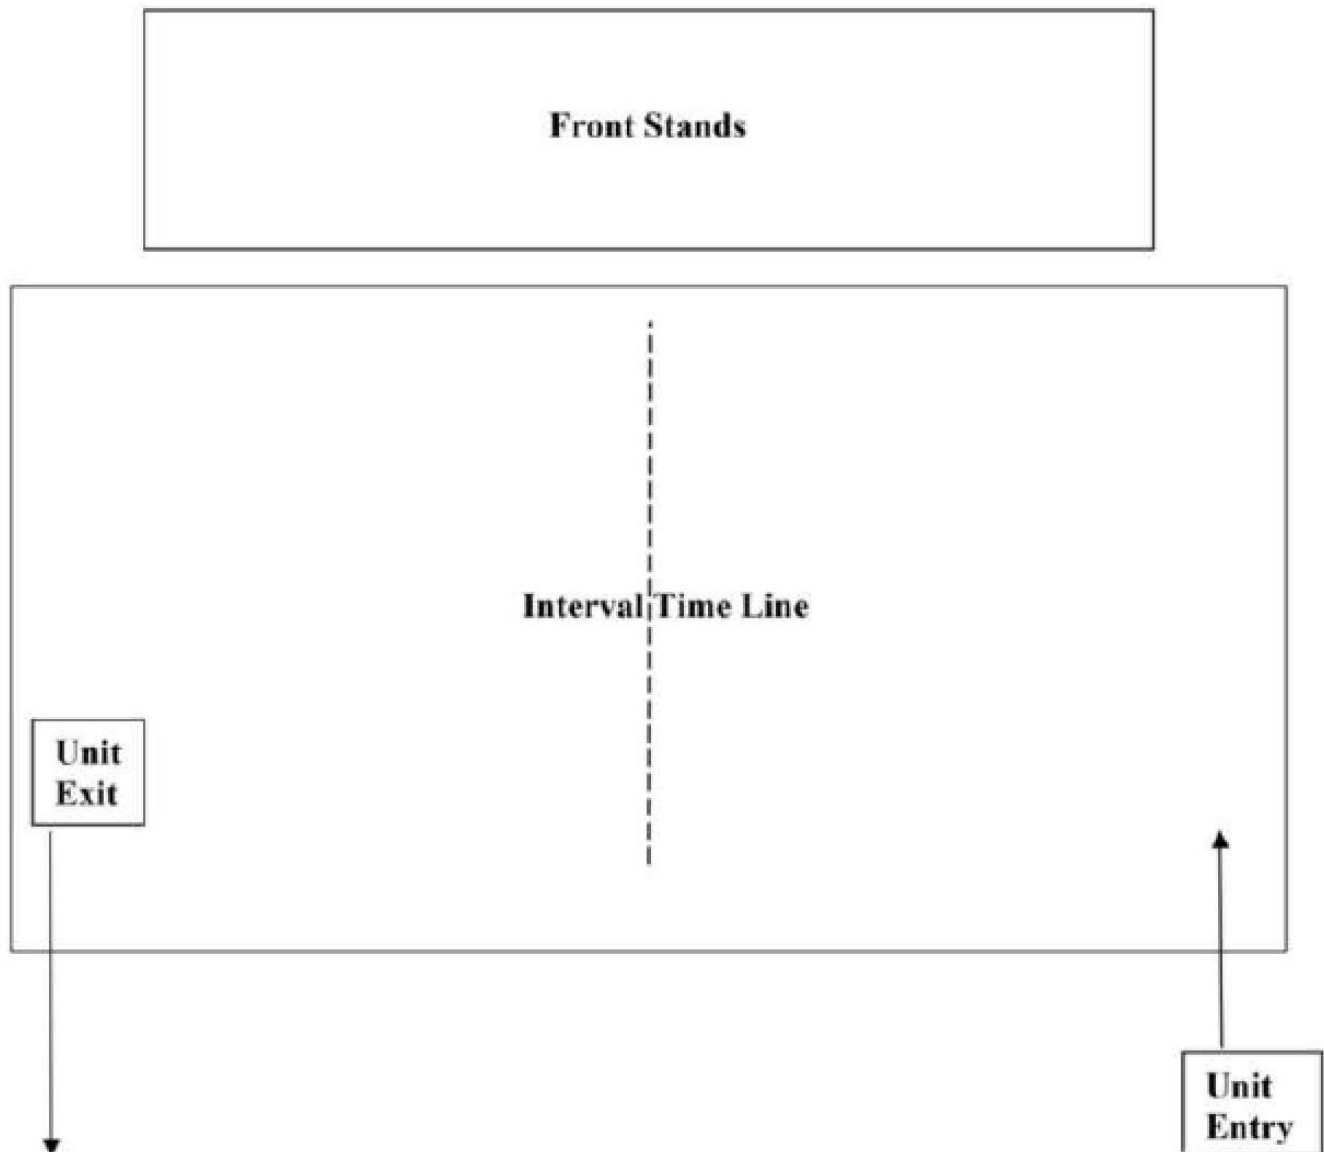

Once it is on the cart, a volunteer will be located outside our freight elevator. They will assist you by getting your tarp onto the elevator; NO students are allowed in the elevator, but an adult is allowed.

Students will take the nearest staircase upstairs to the elevator.

Once the tarp is off the freight elevator you will follow the signs to our South Gym on the 2nd floor where tarp refold is located.

After refolding and replacing the tarp cart, you can return to the elevator where the cart can be brought to the 1st floor for storage or reloading.
